

## CONOCOPHILLIPS SCHOLARSHIP FUND GUIDELINES

1. The ConocoPhillips Scholarship Fund supports students in the department of Chemical & Biomolecular Engineering (ChBE) at the University of Houston.
2. Each scholarship has a minimum of \$2,500. The number of scholarships each year depends on the availability of funds.
3. The scholarship application deadline is the end of August and the end of December of each year. Students should fill out the Application Form for ChBE Undergraduate Scholarship found on this website.
4. Applicants must have a min CHEE GPA of 3.0.
5. Scholarship recipients are selected by the Undergraduate Curriculum Committee of the CHBE department.
